FROM: [REDACTED]
Chief, Liaison Division, OLLSUBJECT: Miscellaneous Matters Regarding Middle East
Hearings and a Political Appointment

1. The following matters were discussed generally with the Chief, NE Division on the afternoon of 27 July 1984. However, I met personally with Mr. Mike Kraft on the morning of 30 July for further details.

2. Mr. Kraft (SD-446) advised that there will be a briefing on Middle East issues at 1400 hours on Wednesday, 1 August in S-117. The Persian Gulf, Lebanon, and possibly Israeli elections, will be discussed at the briefing. Kraft requested that our Near East Division chief or someone of that caliber be on hand for backup during the briefing.

3. There will be a State Department briefing on nuclear proliferation on Tuesday, 31 July 1984. The meeting will be held in Dirksen, 419, at 1430 hours. It is not essential that we be represented at this meeting; in fact, Mr. Kraft advised that the briefing will include staffers cleared to Top Secret, without the code word clearances we may require. However, if we wish to participate, Mr. Kraft suggested that, at our initiative, we might wish to call the Department of State and broker a joint hearing with them.
